

DENOX ENGINE OIL 15W-40 CI4

PRODUCT DESCRIPTION

ENGINE OIL FOR ECONOMICAL DRIVING

GENERAL CHARACTERISTICS :

- Excellent wear protection
- Excellent protection against corrosion, deposit and soot

DESCRIPTION :

Denox engine oil is a high quality, heavy-duty diesel engine oil that is engineered to provide good protection to engines for on and off-highway applications. Denox engine oil is recommended for use in heavy-duty applications and operating environments found in tracking, construction and agricultural industries. Denox engine oil is design to address the needs of older vehicles where good value for performance remains a key driver for end users.

RECOMMENDATIONS :

- Recommended for Diesel Engines

TYPICAL PROPERTIES

SAE GRADE	15W - 40 CI4
DENSITY,g/cm ³	0.8649
KINEMATIC,VISCOSITY AT 40°C,cSt	103.5
KINEMATIC,VISCOSITY AT 100°C,cSt	14.26
VISCOSITY INDEX	148
TOTAL BASE NUMBER	9.55
FLASH POINT,°C	225
POUR POINT,°C	-33
