

DENOX ENGINE OIL 20W-50 SL / CF

PRODUCT DESCRIPTION

ENGINE OIL FOR ECONOMICAL DRIVING

GENERAL CHARACTERISTICS :

- Excellent wear protection
- Excellent protection against corrosion, deposit and soot

DESCRIPTION :

Denox engine oil is a high quality, heavy-duty diesel engine oil that is engineered to provide good protection to engines for on and off - highway applications. Denox engine oil is recommended for use in heavy-duty applications and operating environments found in tracking, construction and agricultural industries. Denox engine oil is design to address the needs of older vehicles where good value for performance remains a key driver for end users.

RECOMMENDATIONS :

- Recommended for Diesel and Gasoline Engines

TYPICAL PROPERTIES

SAE GRADE	20W - 50
Density,g/cm ³	0.88
KINEMATIC,VISCOSITY AT 40°C,cSt	160.4
KINEMATIC,VISCOSITY AT 100°C,cSt	19.08
VISCOSITY INDEX	139
TOTAL BASE NUMBER	7.96
FLASH POINT,°C	240
POUR POINT,°C	-15
