### DESCRIPTION :

Denox engine oil fully synthetic engineered for modern, high performance engine. Especially formulated to suit modern common rail turbo direct injection (CRDI) engines in SUV, Commercial utility vehicles and pick-up trucks. Temperature and keeps engines clean through excellent sludge and deposit control.

### RECOMMENDATIONS :

- Recommended for Gasoline Engines

### TYPICAL PROPERTIES

SAE GRADE	5W - 40 SN
Density, g/cm <sup>3</sup>	0.8536
KINEMATIC, VISCOSITY AT 40°C, cSt	79.5
KINEMATIC, VISCOSITY AT 100°C, cSt	13.5
VISCOSITY INDEX	160
TOTAL BASE NUMBER	9.6
FLASH POINT, °C	220
POUR POINT, °C	-39
